

Our Preps

The senior most children of Santa Maria has nearly finished kindergarten and are all set and ready for first grade. A visit to St. Mary's school gives a great opportunity to get familiar to the new school and its environment. Going to the school at the time when Art exhibition was on, made the visit more enriching and memorable.

“Children are always changing in knowledge, skills, experiences and understanding. Readiness is not something they do or do not have. It is a process of growth and change. Each child is unique and this unique differences should be welcomed and accepted..”

SANTA MARIA INTEGRATED LEARNING ENVIRONMENT

Children were informed about the visit during the circle time, there was excitement in the air as children were looking forward to see their big school.

Shreejith – main toh bahut bar gayi hu.” **Raudri** – “ my sister is there. I’ll go thee and give her surprise.”

Saanvi – “ when I ‘ll go there and my brother will come in Santa Maria.”

Kavya – “mujhe toh vanah ka rasta bhi maloom hai.main toh roz wahan jaati hu.”

Children were welcomed by
Jyoti Ma’am -

The Pleasure of meeting -

Class I children were delighted to meet their Prep class teachers.

One of the class one child said- “ ma;am aap abhi tak prep mein hi ho?”

The other said – “ ma’am aap toh mera naam bhul gaye, mujhe toh aapka naam yaad hai.”

Children enjoyed the conversation with teachers and class one students. They all enjoyed action songs “when you happy and you know it”. Teachers also put on the smart board for them and played their favorite songs.

SANTA MARIA INTEGRATED LEARNING ENVIRONMENT

Now it was time to enjoy the exhibition. Children were taken to the Auditorium where they observed and experienced vibrant art work by the students. This exhibition is one of the highlights of this year and variety of artwork has been produced by the children.

SANTA MARIA INTEGRATED LEARNING ENVIRONMENT

Paper Cutting and Printing

Butterflies with origami paper.

Talk about River Yamuna, the most polluted river in Delhi
"Yeh toh hamare school mein bhi bataya gaya hai."

Recycled Products

Paper-mâché work: Sculpture made by paper.

SANTA MARIA INTEGRATED LEARNING ENVIRONMENT

Recycle- Go Green

Children were excited as they saw different kinds of paper art work.

Illustrative Recall

Soon this wonderful; visit to the big school came to an end , children enjoyed their swing slide, etc. After reaching to Santa Maria they did the recall of the visit and experience through illustration and one question “hum bade school kab jayege?”
