

Name: Anam Ahmad Class: Prep A Date: 14th Aug, 2022

Kindly send the completed worksheet on 16th August 2022

Dear Parent,

Kindly follow the steps given below to do the activity -

1. Help the child to search for information about the national animal of India - 'tiger'.
2. Discuss and guide the child to depict the collected information through illustrations around the arrows (no writing by the child).
3. Write down the responses of the child after he/she finishes drawing.

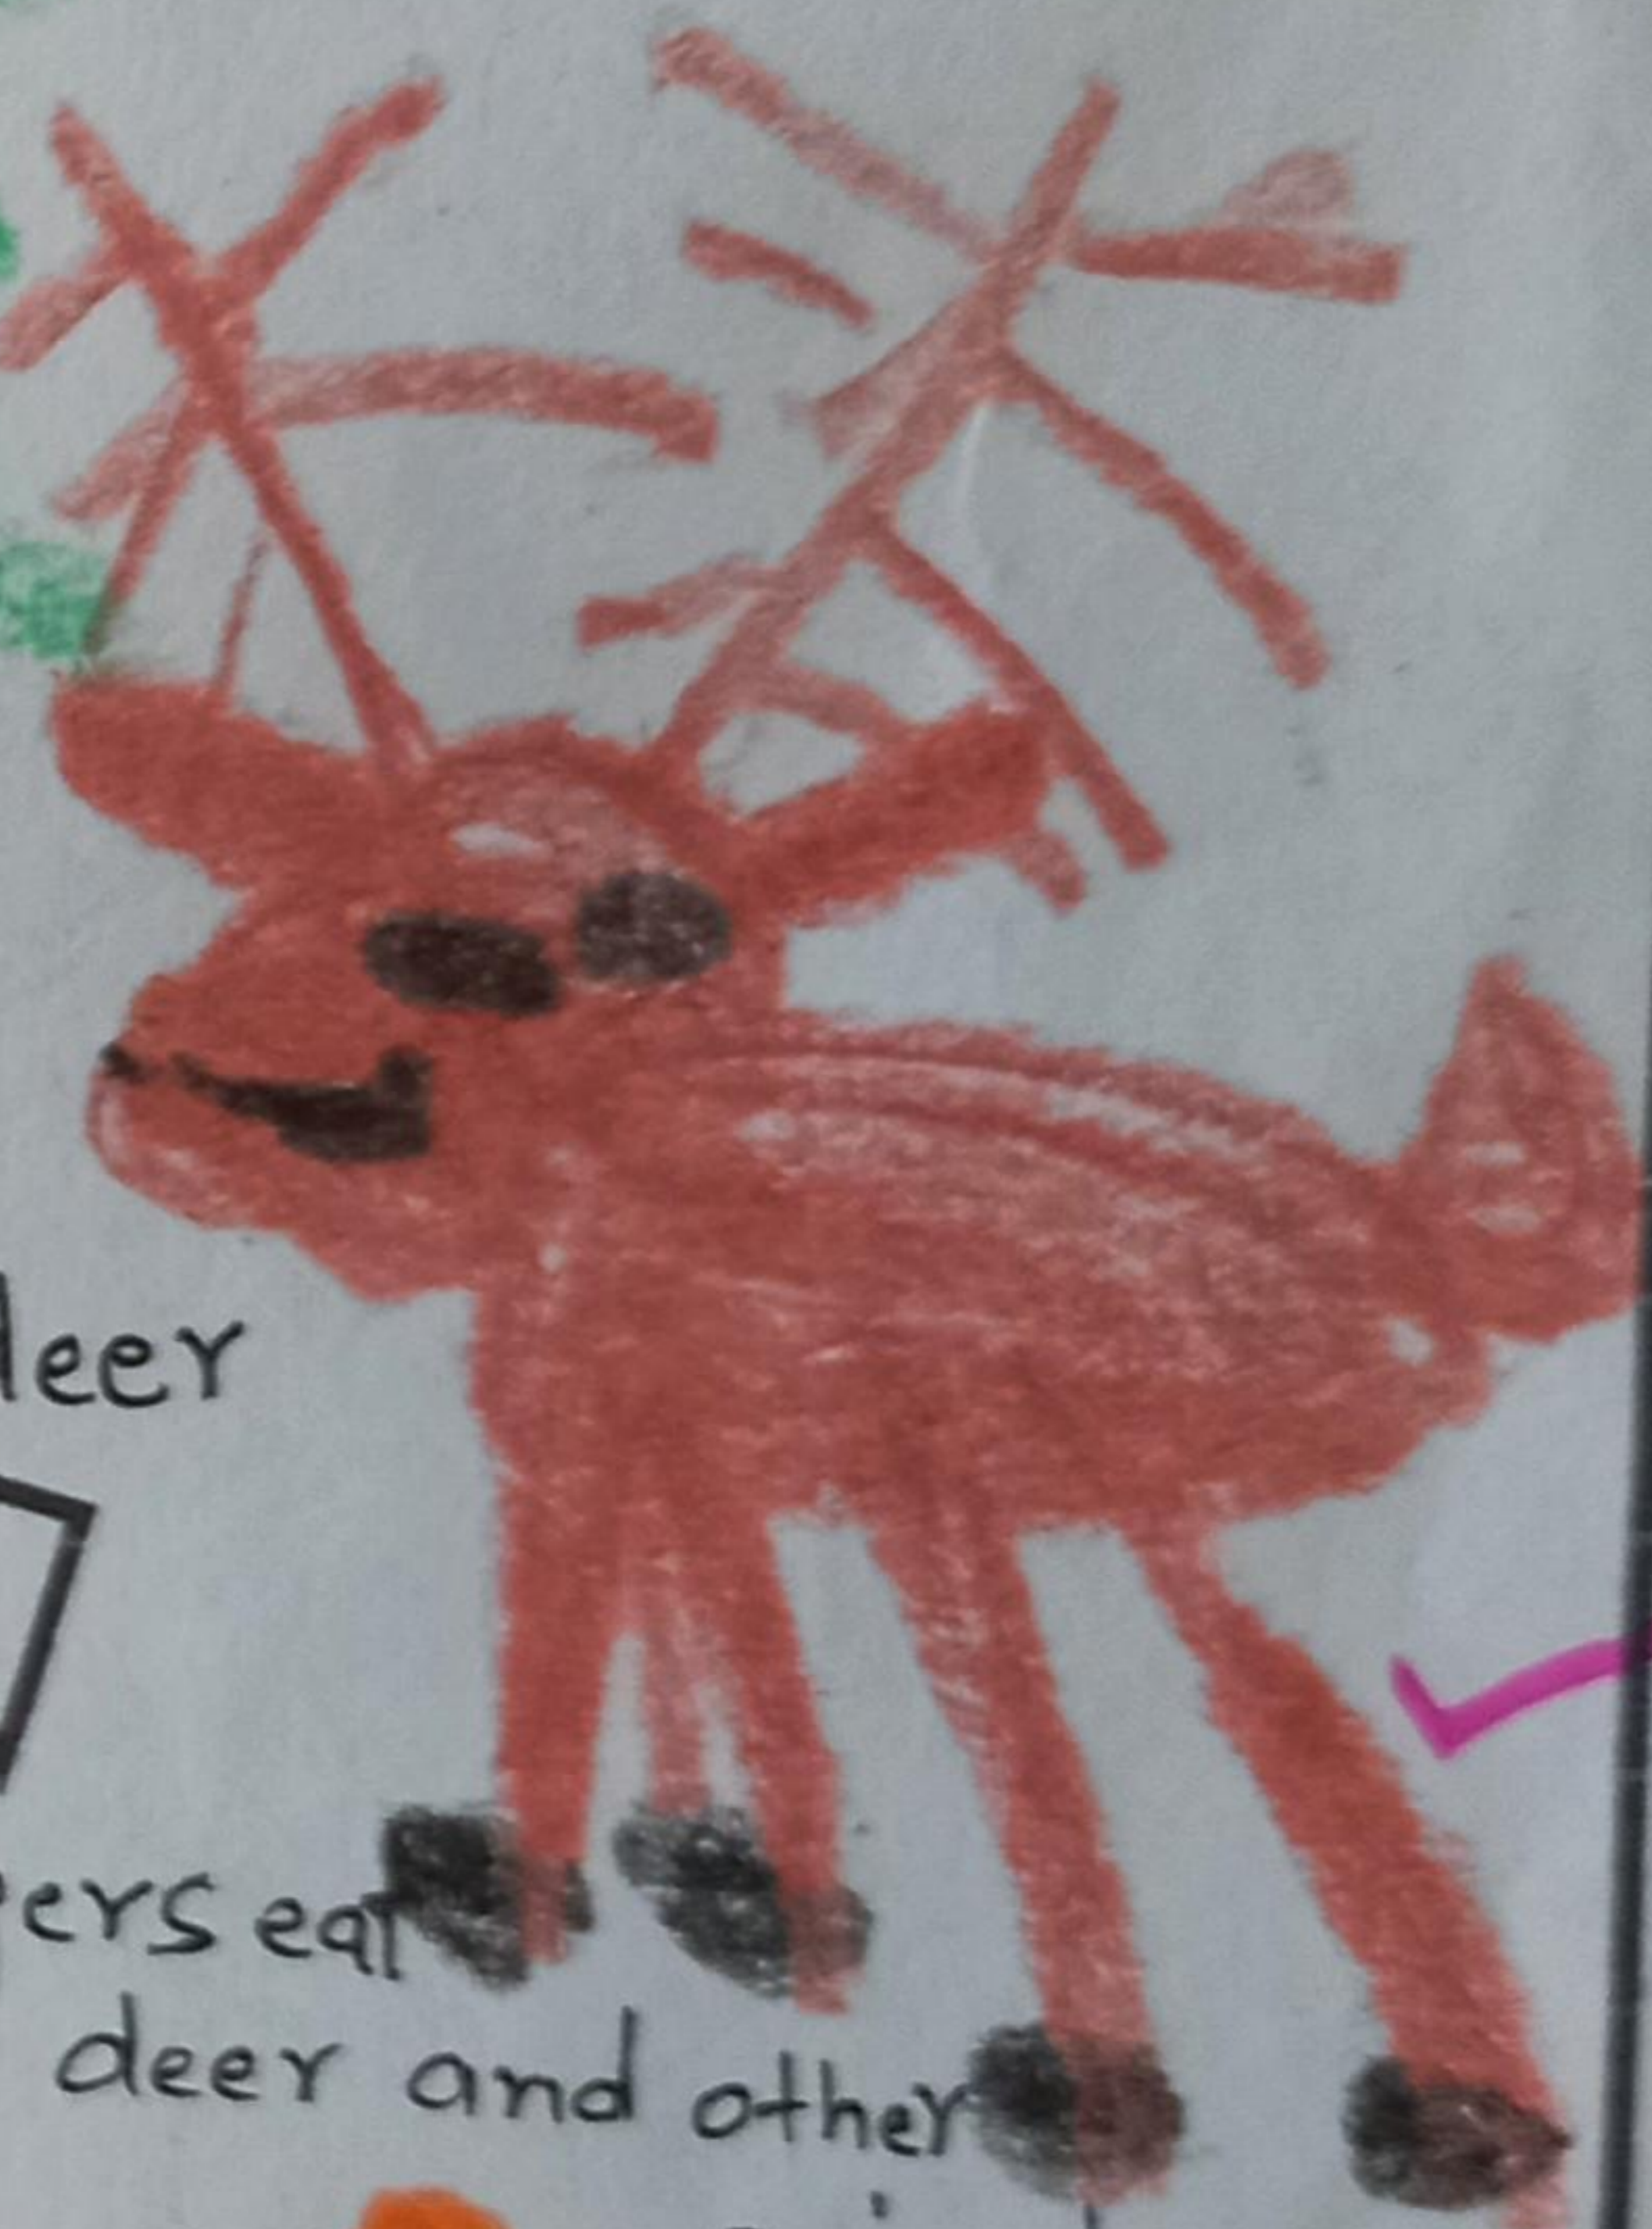

~~We should not cut trees. It's tigers' home. Where will they go?~~

Home - forest
Tigers live in forests. ✓

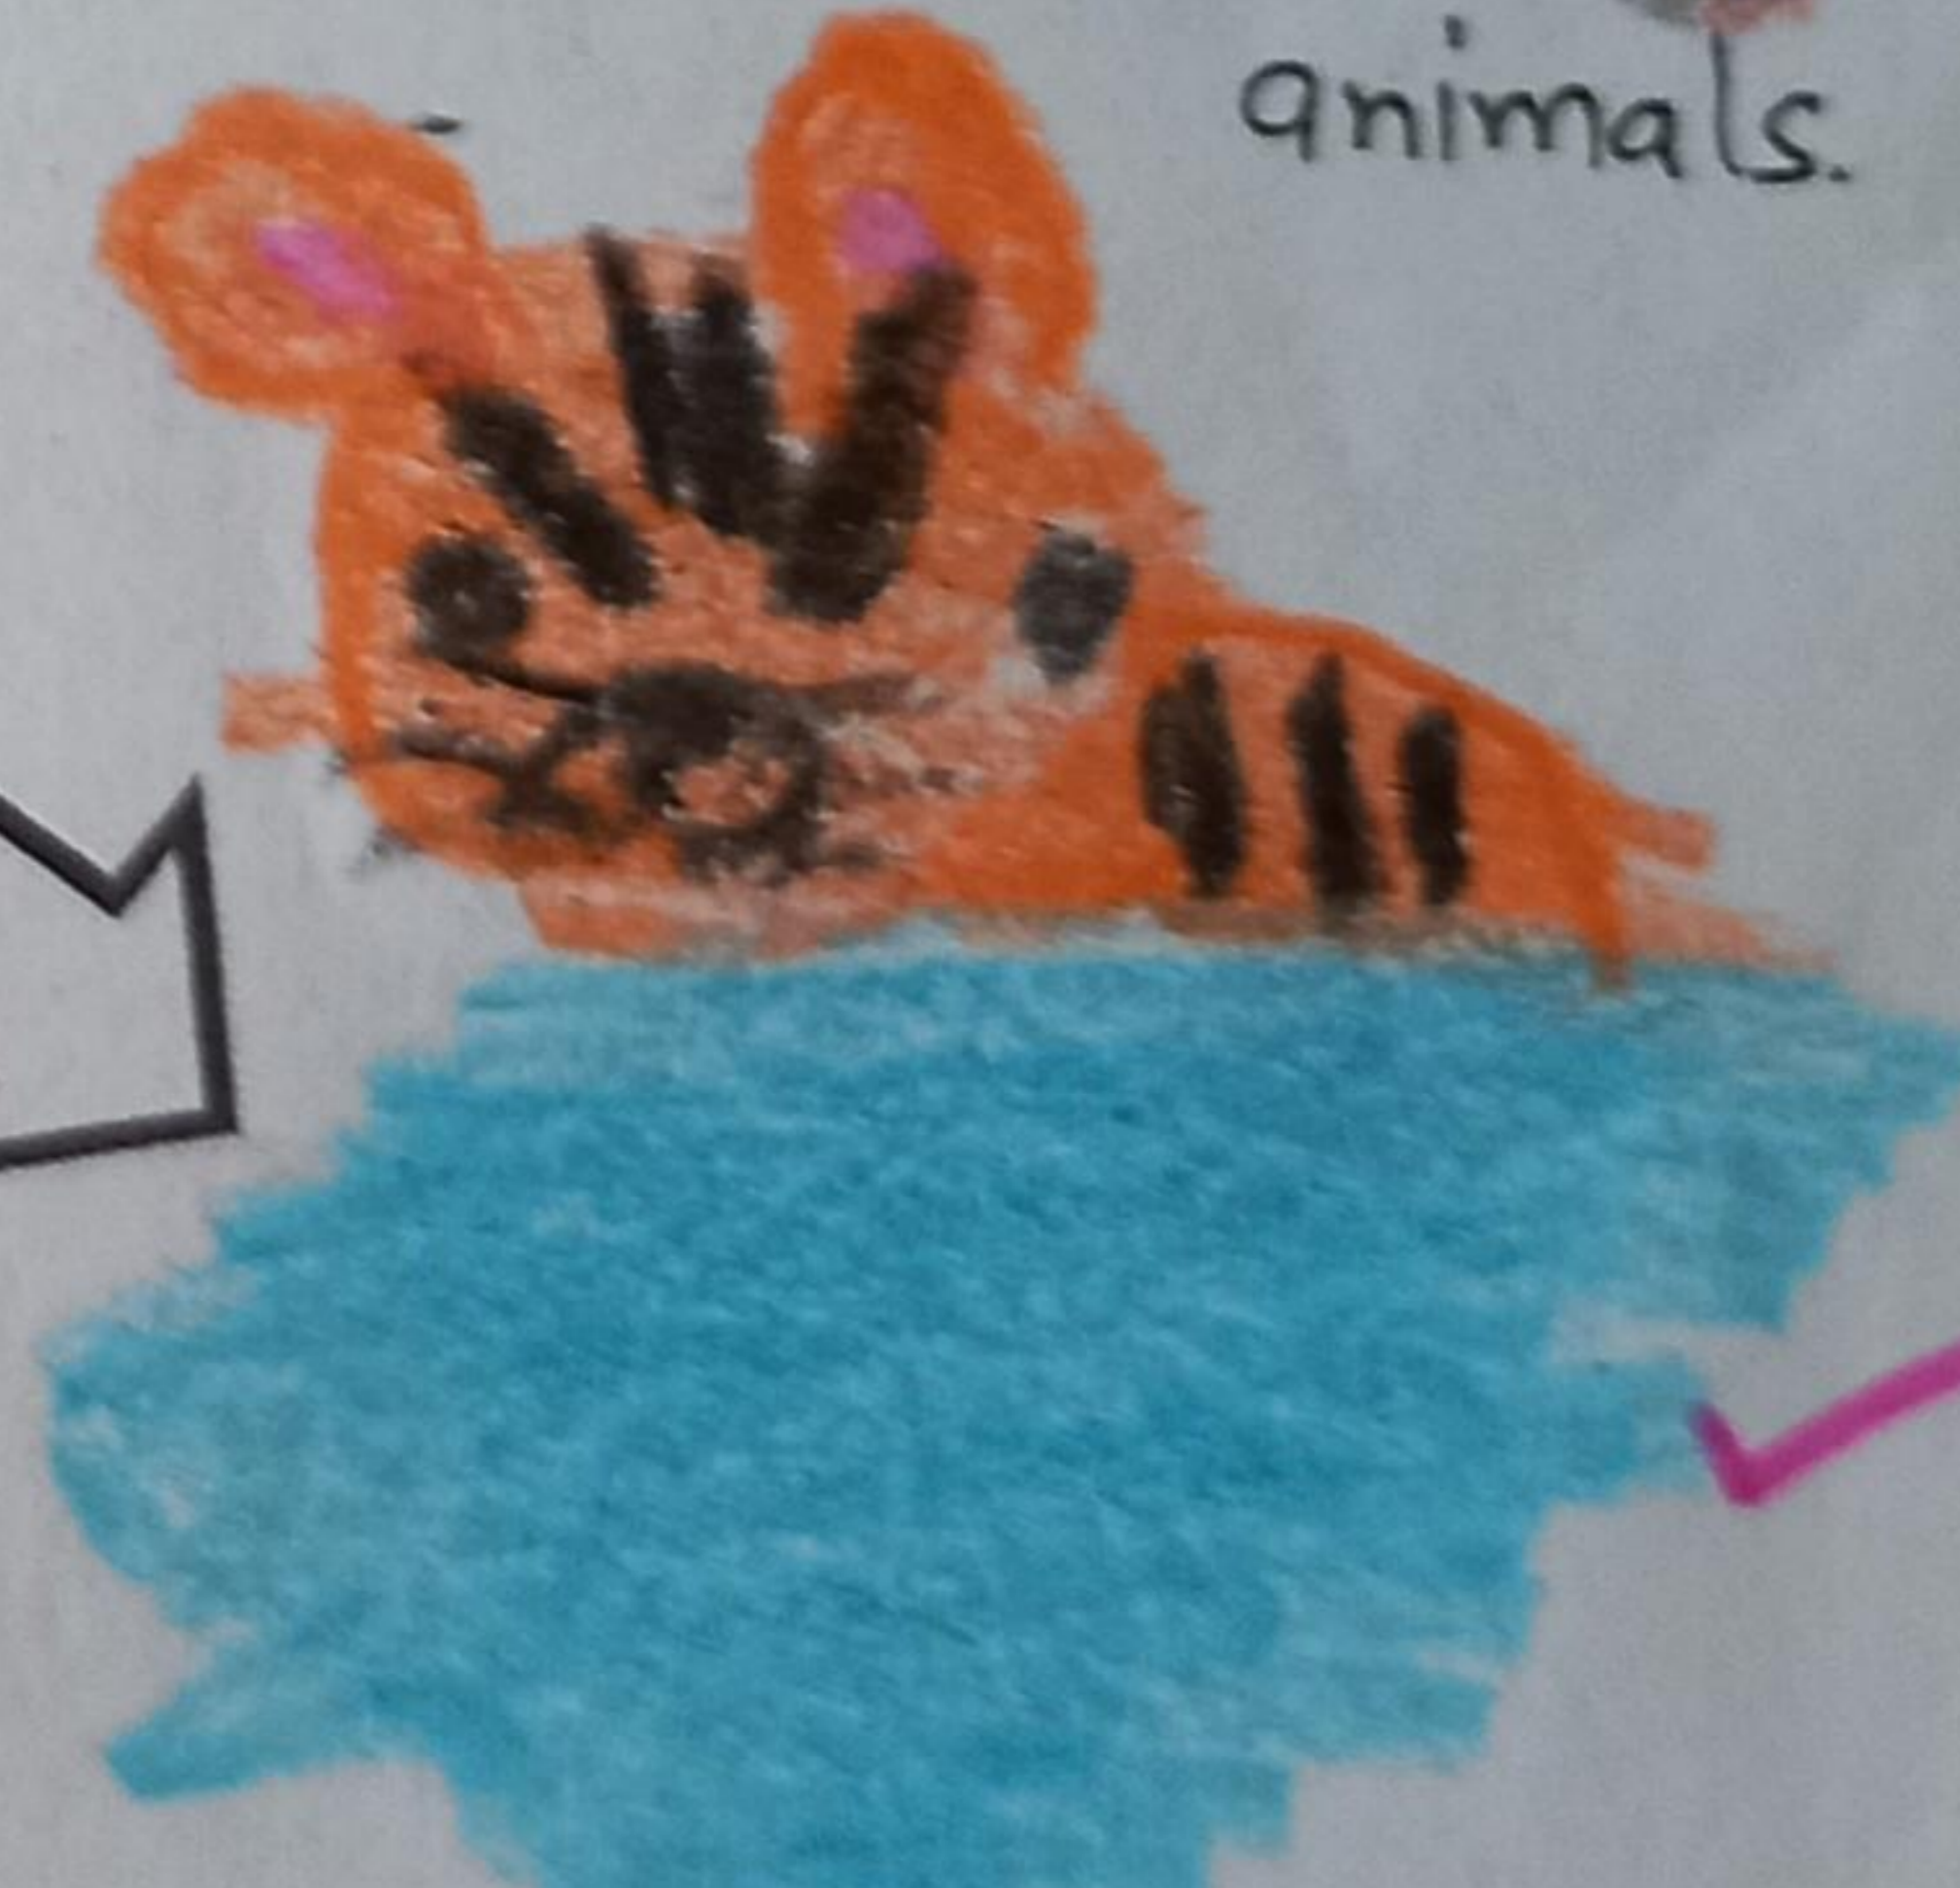

food - deer

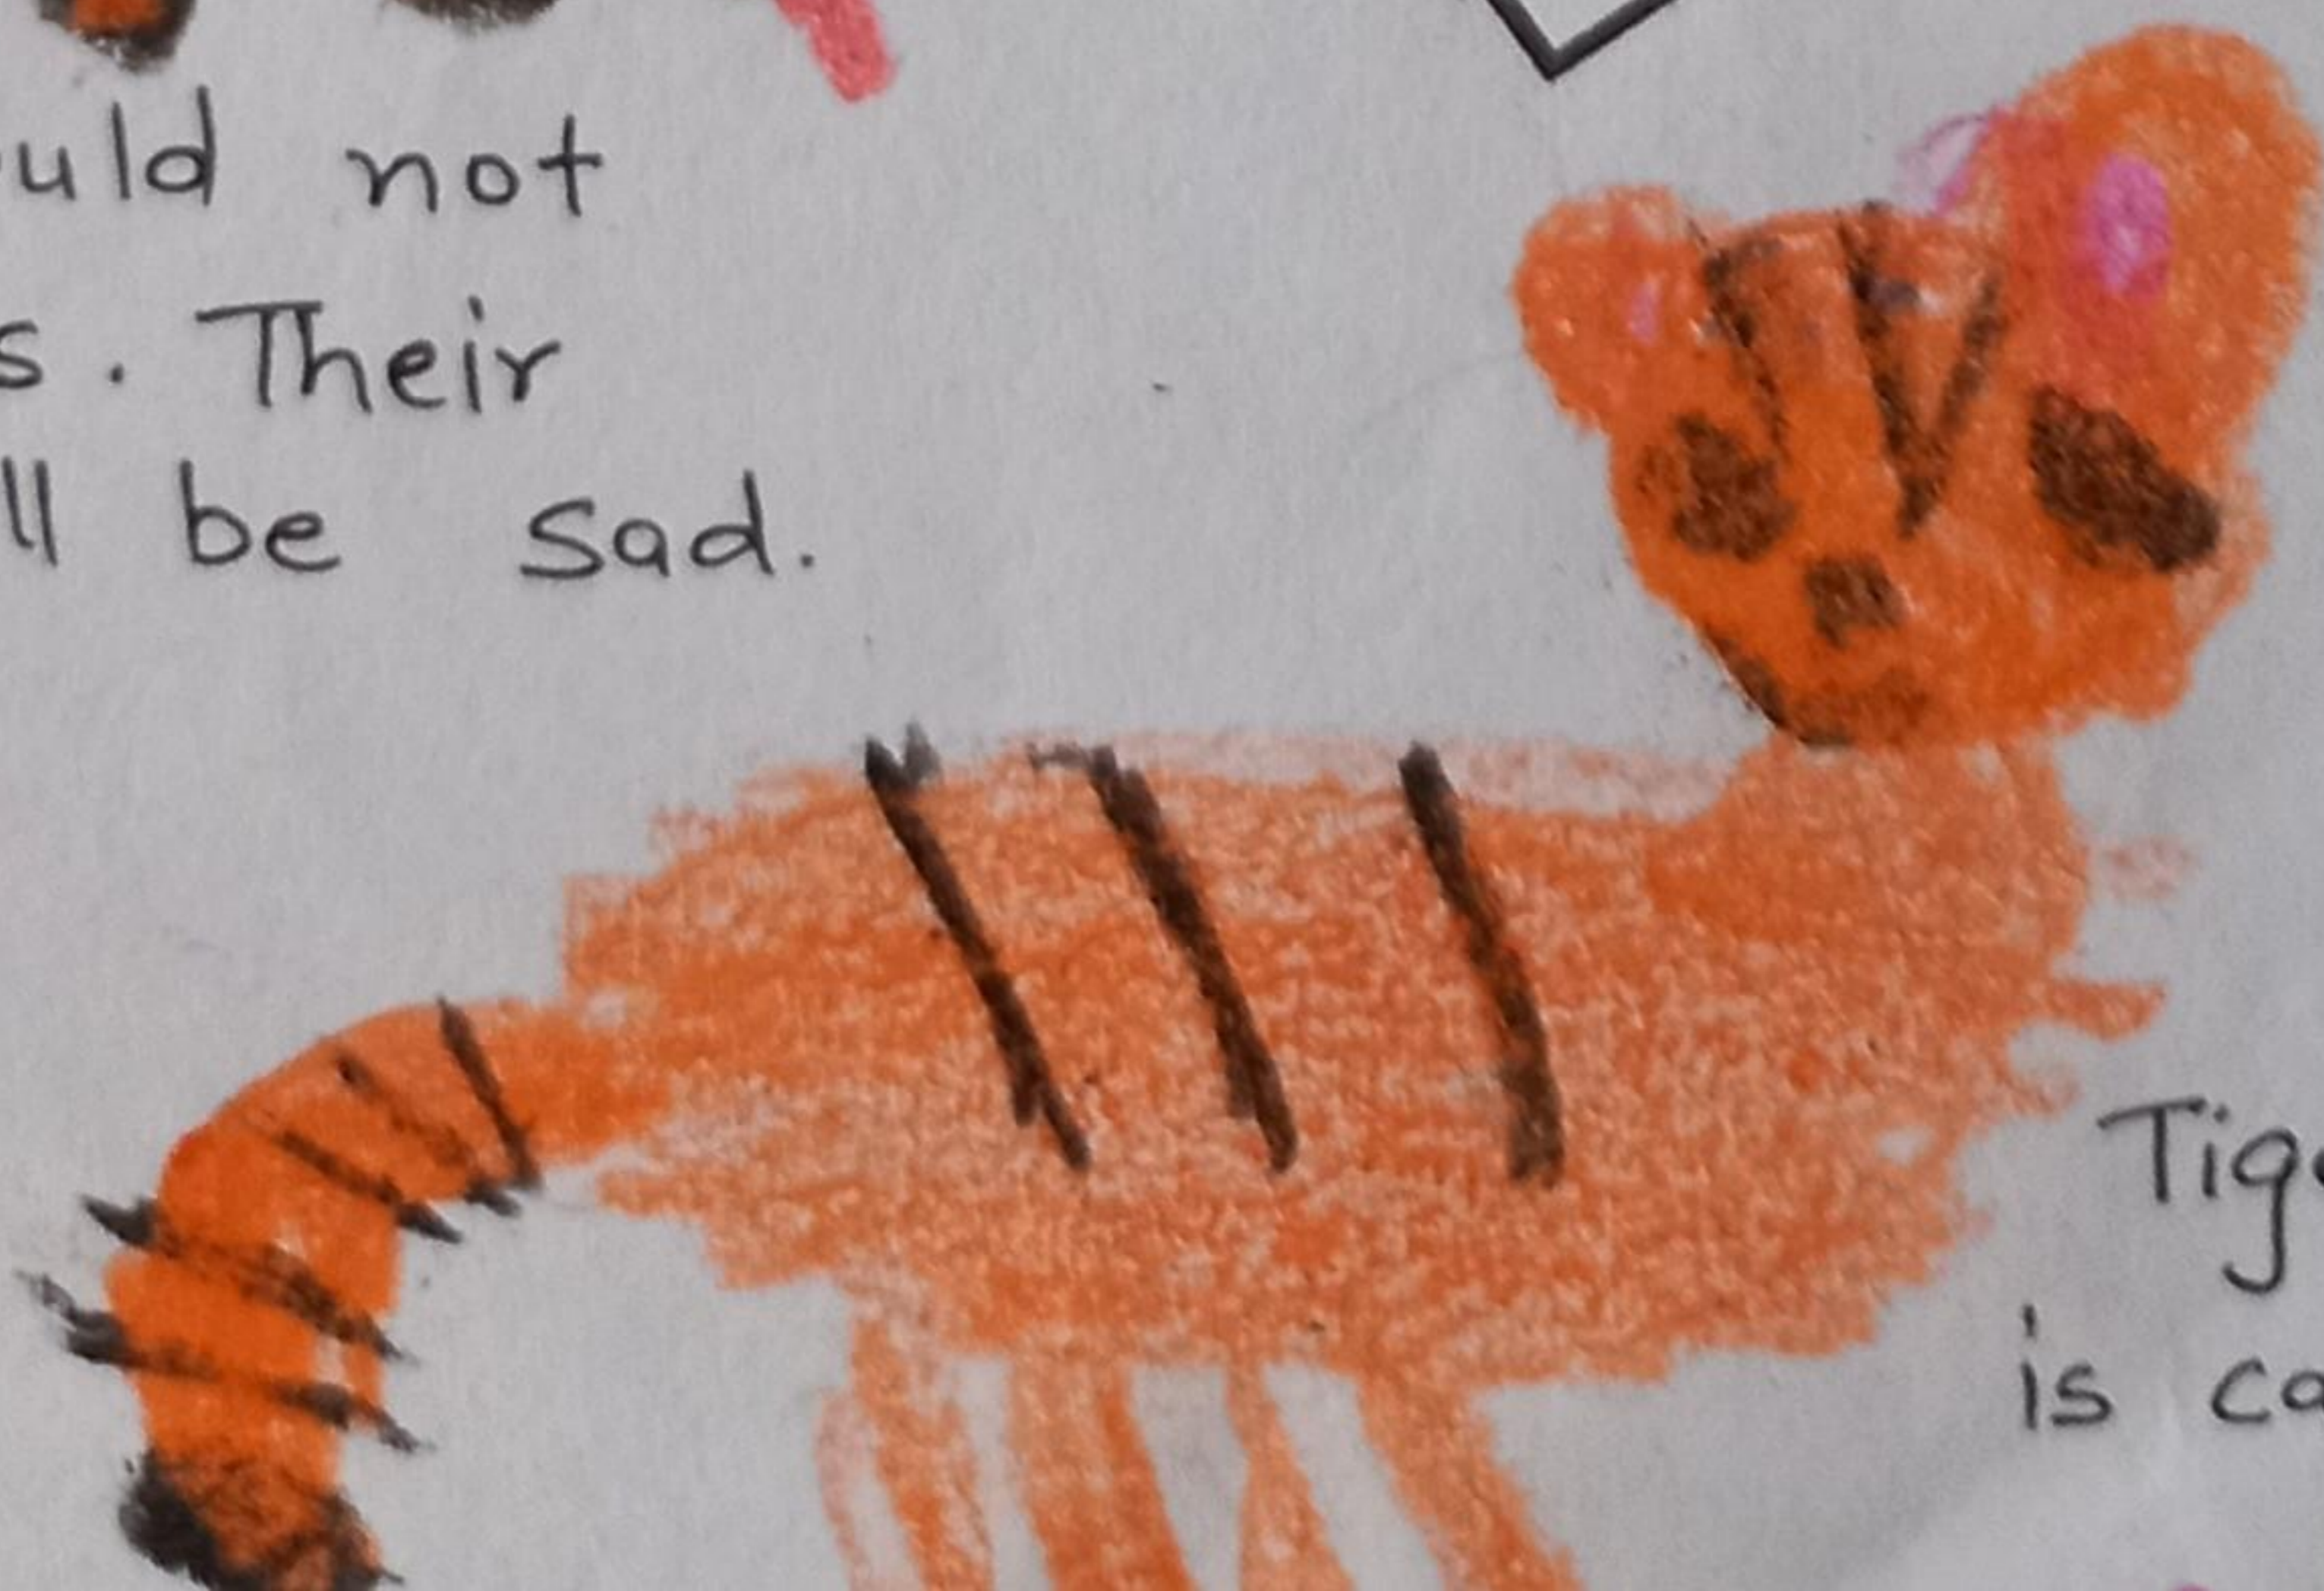

Tigers eat deer and other animals. ✓

~~We should not kill tigers. Their family will be sad.~~

Tigers are great swimmers. ✓

Tiger's baby is called cub.

✓ All done!
