

# Baisakhi Special Assembly By Prep B

A new academic session has started in April and so have the celebrations.

The month started with news on the harvest festivals of India. We discussed about the harvest festivals like Bihu and Vishu that are celebrated in other parts of India during this time.

A special assembly on Baisakhi - the harvest festival of Punjab was presented by the children of Prep B.

# The assembly started with the presentation on

- What is Baisakhi?
- Where it is celebrated?
- How it is celebrated?

The Baisakhi festivities included an energetic and vibrant dance by the children of Prep B.

The whole school came together, dancing to the beats of a Baisakhi folk song. Everyone wished each other a 'Happy Baisakhi'.

Happy Baisakhi to all.
