

## Visit to National Book Trust

The students of class Prep of Santa Maria went for a visit to the National Book Trust in Vasant Kunj on Friday, 13<sup>th</sup> of October 2023. The children were thrilled about going shopping. The money though was still with the grownups!

The journey started with a bus ride from school to the National Book Trust (NBT). There was a lot of noise and excitement on route and the children were energized.

Upon arriving at the venue, the children were escorted to a large conference room for story time! Once everyone was settled, a nice lady from NBT, regaled the children with a wonderful story about animals in the jungle.

After a short break, the children were split into different teams, which each represented an animal, and played a game in which they had to make sounds like their team animal. It was delightful to hear the animal sounds.

After this, the children were taken to the NBT Shop where they were instructed to pick out a book of their choice to purchase. After much nervousness, excitement and a lot of running around, the children had selected their books. It was very interesting to see the wide range of books that were chosen by the children on different subjects and themes.

When the children were leaving, the NBT team surprised them with a goodie bag containing a book and a snack. Eager to read the story books in their possession, this outing brought the children closer to the universe of books and the adventures that await them within.

Regards

Anand
