Independence Day Celebrations 2021

The Independence Day has a special place in the heart of every Indian citizen. Not only does it symbolise the celebration of 75 years of freedom but also extends a message of our unity.

On this special occasion, Santa Marians came together to mark the 75th year of India's Independence. There was a circle time discussion about the significance of the colors in the national flag. Preps learnt about the evolution of our national flag through a power point presentation. Children gave insightful responses when they were asked " What freedom meant to them during the pandemic".

It was a proud moment for them to paint and make a flag for themselves. This time children also did some creating thinking while they designed there family flag. All flags were unique and reflected our diversity and uniqueness very beautifully.

On Independence day celebration the tri-color proudly fluttered in the wide blue sky and everyone present there lifted their voice in unison to sing the National Anthem.

Children were excited to be a part of the celebration and were dressed in the tricolors. They pledged to fulfill their responsibility as a young citizen by protecting it and keeping it clean. The children sang songs 'Hum raahi hain, hum saathi hain...' and 'Look at the flag...' with great enthusiasm and fervour. Sweets were distributed and children waited patiently in line for their turn.

In online session there was a vibrant display of tricolors as KG parents and children teamed up to decorate their backgrounds with readily available materials.

Nursery parents and children did an impromptu activity in which they had to dress up in tricolors . The session was beaming with energy as everyone was trying to do their best with the material they had collected.

Our preps dressed up to pose like a great Indian personality who has inspired them the most.

Everyone participated in the activity with great enthusiasm. Children later sat down to eat traditional sweets and wished each other a happy Independence Day.
