

Report on the 74th Republic Day Celebration

Santa Maria Integrated Learning Environment

India's 74th Republic Day was enthusiastically and passionately celebrated on January 25th at Santa Maria School in Vasant Kunj. Being a part of the largest Democratic Republic in the world is something we should be extremely proud of.

The program started with a parade by Prep and Kg students. Representing the key words of preamble — Equality, Liberty, and Justice.

Children were quite excited to see the national flag being raised.

Everyone pledged:

We the children of India will always.....

- *Love and respect each other
- *Help each other
- * Be kind to all living beings.

This was followed by a special assembly depicting the 'Unity in Diversity' and the 'Rights and Duties' of children of India.

Nursery B presented the idea of "Unity in Diversity" by arriving in their native costume and making introductions in their own tongue. Each participant brought a piece of a puzzle to attach to the board, which when finished revealed the geography of our magnificent country, India.

An enthralling dance on the song 'Deeware'...was also presented by nursery to showcase 'unity'.

It was soon understood by all that though we come from different region, speak different tongues, practise different religions, and follow diverse cultures, but together we all are called INDIANS.

The presentation then moved to the idea of constitution.

The Rights of Children of India in the constitution namely:

- Right to Survival
- Right to Protection
- Right to Participation
- Right to Education.

All the rights were depicted through a role-play by the children of KG – B. They also explained the duties that come along with our rights.

A wonderful presentation was concluded with the song – ‘We are the world, we are the children’...

Warm regards

Sangita Tamang
