

### KGs Visit to the Post office

The famous writer Haruki Murakami once said, "How wonderful it is to be able to write someone a letter...to feel like conveying your thoughts...to put your thoughts into words."

Taking inspiration from these words, our little KG children had a wonderful experience while visiting a post office located in the vicinity on 8<sup>th</sup> and 9<sup>th</sup> August 2018.

The children boarded their buses and carried their past cards with them which had beautiful messages for their families.

On the way to post office Alyonushka from Kg A spotted an "uncle carrying 6 Indian flags ". Few children spotted green and blue dustbins similar to the ones they have in their classrooms. As soon as the children entered the post office, they were greeted by a very courteous gentleman Mr.Goswami, assistant to the Post Master.

The children entered a big room where they saw pigeon holes where mail is sorted as per are pin code. They were amused to see similar pigeon holes as they see in their classrooms.

Thereafter, the children were escorted to another gentleman who started stamping their post cards one by one.

The children met other officials too who are responsible for the seamless functioning of the post office. While leaving they were offered sweets by Mr Rastogi, the Post Master of Vasant Kunj P.O.
