

# A Report - Story of Dusshera

Role play by KG children on 12<sup>th</sup> October 2021

Santa Maria celebrated Dusshera with great enthusiasm this year. Not only children but parents too had an active participation in shaping the characters. They tweaked the dialogues to suit the character and arranged the costumes showing their interest and support.

On 12<sup>th</sup> October 2021, children came all dressed in their costume and the air was filled with sounds of excitement. The role play was a happy blend of dramatization, singing and dancing. Children carried themselves with grace. It was a proud moment for everyone to see them speak and enact with confidence and joy. This was our first attempt to present live Ramleela online.

All Kg's came together to present a vibrant story of Dusshera.

It started with KG B presentation with part I -

## 1. The obedient children

The palace of Ayodhya

Kekeyi and Dashrath

## Part II - Friends in the forest

Ram Sita & Lakshman going for an exile

Meeting the Kewat

Ravana in the forest

Ram & Lakshman meet Jatayu

Shabri feeding them plums

Ram & Lakshman Meet Hanuman

Hanuman meets Sita

Hanuman meets Ravan

Hanuman gives Ravana's message

### Part III - All is well in the end.

Setu bandhan

The last battle

Ram Sita, Lakshman in Ayodhya

The experience became wholesome as the role play was followed by children making beautiful mask of their favourite character.

#### Anecdotes :

- Anaya - I like Hanuman. Woh hamare mandir meh bhi rehte hai. Krishna ke friend hai.
- Khammuansang - Idont know which character to choose.I think I will make Ravan mask. He has huge moustache.
- Navtej - I like Ram lekin agar main Ram hota toh auto pakad ke jungle chala jaata..main chal ke nahin jaata .... I was not sure if this can qualify as an anecdote
