Dear Parent,

Kindly follow the steps given below to do the activity -

1. Help the child to search for information about different means of transportation.
2. Discuss and guide the child to depict the collected information through illustrations under the arrows (no writing by the child).
3. Write down the responses of the child after he/she finishes drawing.

→ Transport is moving people or things from one place to another place.

→ We can travel by Land, air and water.

→ It will be public or private.
